

REFERENCES IN HAEMATOLOGICA STYLE:

- When authors are more than six, please indicate three names et al.
- Please use the Pub-Med abbreviations for the journal titles.
- Please pay attention how to indicate the page numbers. In particular, please do not indicate the day/month after the year and indicate the last page number in extenso.

A correct references could be:

Distante S, Elmberg M, Foss Haug KB, et al. Tumor Necrosis alpha and its promoter polymorphisms' role in the phenotypic expression of hemochromatosis. Scand J Gastroenterol. 2003;38(8):871-877.
